Mr. WONG Kam-sing
(GBS, JP, Secretary for the Environment, HKSAR)

7:00 - 8:00 pm on 27 April 2021
Online Seminar through Zoom meeting

Dear members,

The Spring Reception has been an annual gathering event for HKWMA to facilitate the interactions of members and to get updated on the status of waste management progress in our city. It is unfortunate that, with the ongoing pandemic situation, we will not be able to provide this gathering event this year.

In February, the government announced the “Waste Blueprint for Hong Kong 2035”, setting out the vision, strategies, goals, and measures to tackle the challenge of waste management up to 2035. Although we are not able to host the Spring Reception gathering, we consider the “Waste Blueprint for Hong Kong 2035” is an important piece of information for our members. Therefore, we would like to take the Spring Reception timing into an online seminar event on this topic. We are very pleased and honored to have the Secretary for the Environment, Mr. WONG Kam-sing, GBS, JP, to come to deliver this seminar to our members.

If you are interested in attending this seminar, please submit your registration form to our YMC at the e-mail address: ymc@hongkongwma.org.hk at or before **5:00 pm on 23 April 2021 (Friday)**. The Zoom meeting link will be provided to you through e-mail after the successful registration.
